A lady goes to the doctor and complains that her husband is losing interest in sex. The doctor gives her a pill but warns her that it's still experimental. He tells her to slip it into his mashed potatoes at dinner, so that night, she does just that.

About a week later, she's back at the doctor, where she says, "Doc, the pill worked great! I put it in the potatoes like you said! It wasn't five minutes later that he jumped up, raked all the food and dishes onto the floor, grabbed me, ripped all my clothes off, and ravaged me right there on the table!"

The doctor says, "I'm sorry, we didn't realize the pill was that strong! The foundation will be glad to pay for any damages."

"Nah," she says, "That's okay. We're never going back to that restaurant anyway."

Relationships are a lot like algebra. Have you ever looked at your X and wondered Y ?

I left three notes scattered around the house for my girlfriend. They say "Will", "You" and "Me". That will keep her busy whilst I watch football on TV.

A wife asks her husband:

- Did you have any girlfriends before you married me?

The husband sits silently.

Wife asks again:

- What is this silence supposed to mean?

Husband answers:

- Wait... I'm counting...

Q: What to give a man who's got everything?

A: A woman. She'll tell him how everything works.

A woman was taking an afternoon nap. When she woke up, she told her husband, "I just dreamed that you gave me a pearl necklace for Valentine's Day. What do you think it means?" "You'll know tonight," he said.

That evening, the man came home with a small package and gave it to his wife. Delighted, she opened it to find a book entitled "The Meaning of Dreams."

If love is the answer,
could you please rephrase
the question?

“What's wrong?” he asks.

“I have texted my wife that I was coming home today from my golfing trip. And what did I find when I walked through the door? Her making out with Joe Murphy! I'm leaving!”

“Now, calm down,” says his father-in-law. “There must be a simple explanation. I’ll find out what happened.”

A man was driving his wife home after a night out when they were stopped by the police.

“Sir, did you know you were speeding?” asked the officer.

“No, I had no idea that I was speeding,” replied the husband.

“Of course you were,” interrupted the wife, “you’re always speeding.”

The officer looked at the rear of the vehicle and said: “And did you know your brake light is broken, sir?”

“No, I had no idea that it was broken,” replied the husband.

Again the wife interrupted, “Of course you knew it was broken. You’re always saying you’ll get it repaired, but you never have.”

The officer began to sympathize with the husband and said, “Does she always talk to you like this?”

The wife said, “No, only when he’s drunk.”

A guy walks into a bar and asks barman for six double vodkas. The barman says, "Wow, you must have had one hell of a day."

"Yeah, I just found out my oldest son is gay," man replies.

The next day, the same guy comes into the bar and asks for six more double vodkas. When the bartender asks what's wrong, man says, "I just found out that my youngest son is gay, too!"

On the third day, the guy comes into the bar and orders another six double vodkas. The bartender says, "Jesus! Doesn't anybody in your family like

One day a wife asked her husband, “Honey, would you please mow the lawn?”

Her husband responded, “Who do you think I am, John Deer?”

Later the wife asked, “Would you please paint the house?”

Her husband said, “Who do you think I am, Sherwin Williams?” Then he left to go fishing for the weekend.

When he got back home, he was surprised to see the lawn was mowed and the house was painted. He asked her how she got all of it done. She said, “The guy next door did it. He wanted me to either bake him a cake or to have sex with him.”

So the husband asked, “What kind of cake did you bake?”

She replied, “Who do you think I am, Betty Crocker?”

Relationships are like fat people. Most of them don't work out.

The secret to a long marriage is that we take time to go to a restaurant two times a week. A little candlelight, dinner, soft music and dancing. She goes on Tuesdays. I go on Fridays...

- Mam, have you been invited to dance?

- Oh, not yet. I'm free!

- Then please keep my beer...

I like to show my wife who's the boss in our house. I do this by holding a mirror up to her face.

A young couple is on their honeymoon. The husband is sitting in the

bathroom on the edge of the bathtub saying to himself, “Now how can I tell my wife that I've got really smelly feet and that my socks absolutely stink? I've managed to keep it from her while we were dating, but she's bound to find out sooner or later that my feet stink. Now how do I tell her?”

Meanwhile, the wife is sitting on the bed saying to herself, “Now how do I tell my husband that I have really bad breath? I've been very lucky to keep it from him while we were courting, but as soon as he's lived with me for a week, he's bound to find out. Now how do I tell him gently?”

The husband finally plucks up enough courage to tell his wife and walks into the bedroom. He walks over to the bed, climbs over to his wife, puts his arm around her neck, moves his face very close to hers and says, "Darling, I've got a confession to make.”

She says, “So have I, my love.”

To which he replies, “Don't tell me, you've eaten my socks.”

A man came home from work, sat down in his favorite chair, turned on the TV, and said to his wife, "Quick, bring me a beer before it starts." She looked a little puzzled, but brought him a beer.

When he finished it, he said, "Quick, bring me another beer. It's gonna start." This time she looked a little angry, but brought him a beer.

When beer was finished, he said, "Quick, another beer before it starts." "That's it!" She blows her top, "You bastard! You waltz in here, flop your fat ass down, don't even say hello to me and then expect me to run around like your slave. Don't you realize that I cook and clean and wash and iron all day long?"

The husband sighed. "Oh shit, it started!"

Why did I get divorced? Well, last week was my birthday. My wife didn't wish me a happy birthday. My parents forgot and so did my kids. I went to work and even my colleagues didn't wish me a happy birthday. As I entered my office, my secretary said, "Happy birthday, boss!" I felt so special. She asked me out for lunch.

After lunch, she invited me to her apartment. We went there and she said, "Do you mind if I go into the bedroom for a minute?" "Okay," I said.

Geoff had six children and was very proud of his achievement. He was so proud of himself that for years he called his wife, Anita, "Mother of Six," in spite of her regular objections.

One evening, in their retirement years, they go to a party. It is late and Geoff is ready to go home and wants to find out if Anita is ready to leave as well. Geoff bellows at the top of his voice, "Shall we go home, Mother of Six?"

Jim took his blind date to the carnival. “What would you like to do first, Sarah?” asked Jim.

“I want to get weighed,” she said.

They ambled over to the weight guesser. He guessed 120 pounds. She got on the scale, it read 117 and she won a prize.

Next, the couple went on the Ferris Wheel. When the ride was over, Jim again asked Sarah what she would like to do.

“I want to get weighed,” she said. Back to the weight guesser they went. Since they had been there before, he guessed her correct weight, and Jim lost his dollar.

The couple walked around the carnival and again he asked where to next.

“I want to get weighed,” she responded.

By this time, Jim figured she was really weird and took her home early, dropping her off with a handshake.

Her roommate, Laura, asked her about the blind date, “How'd it go?”

Sarah responded, “Oh, Waura, it was wousy.”

A group of girlfriends is on vacation when they see a 5-story hotel with a sign that reads: "For Women Only." Since they are without their boyfriends

and husbands, they decide to go in.

The bouncer, a very attractive guy, explains to them how it works: "We have 5 floors. Go up, floor by floor, and once you find what you are looking for, you can stay there. It's easy to decide since each floor has a sign telling you what's inside."

So they start going up and on the first floor the sign reads: "All the men on this floor are short and plain." The friends laugh and without hesitation move on to the next floor.

The sign on the second floor reads: "All the men here are short and handsome." Still, this isn't good enough, so the friends continue on up.

They reach the third floor and the sign reads: "All the men here are tall and plain." They still want to do better, and so, knowing there are still two floors left, they continued on up.

On the fourth floor, the sign is perfect: "All the men here are tall and handsome." The women get all excited and are going in when they realize that there is still one floor left. Wondering what they are missing, they head on up to the fifth floor.

There they find a sign that reads: "There are no men here. This floor was built only to prove that there is no way to please a woman."

Jeff walks into a bar and sees his friend Paul slumped over the bar. He walks over and asks Paul what's wrong.

“Well,” replies Paul, “you know that beautiful girl at work that I wanted to ask out, but I got an erection every time I saw her?”

“Yes,” replies Jeff with a laugh.

“Well,” says Paul, straightening up, “I finally plucked up the courage to ask her out, and she agreed.”

“That's great!” says Jeff, “When are you going out?”

“I went to meet her this evening,” continues Paul, “but I was worried I'd get an erection again. So I got some duct tape and taped my penis to my leg, so if I did, it wouldn't show.”

“So I get to her door,” Paul continues, “and I rang her doorbell. She answered it in the sheerest, tiniest dress you ever saw.”

“And what happened then?”

“I kicked her in the face.”

A man escapes from prison where he has been for 15 years. He breaks into a house to look for money and guns, and finds a young couple in bed. He orders the guy out of bed and ties him to a chair. He ties the girl to the bed and he gets on top of her, kisses her neck, and then gets up and goes into the bathroom. While he's in there, the husband tells his wife, "Listen, this guy is an escaped convict, look at his clothes! He probably spent lots of time in jail and hasn't seen a woman in years. I saw how he kissed your neck. If he wants

sex, don't resist, don't complain, do whatever he tells you. Satisfy him no matter how much he nauseates you. This guy is probably very dangerous. If he gets angry, he'll kill us. Be strong, honey. I love you."

His wife responds, "He wasn't kissing my neck. He was whispering in my ear. He told me he was gay, thought you were cute, and asked me if we had any Vaseline. I told him it was in the bathroom. Be strong honey. I love you, too!"

After a long night of making love, the young guy rolled over, pulled out a cigarette from his jeans and searched for his lighter. Unable to find it, he asked the girl if she had one at hand. "There might be some matches in the top drawer," she replied. He opened the drawer of the bedside table and found a box of matches sitting neatly on top of a framed picture of another man. Naturally, the guy began to worry:

"Is this your husband?" he inquired nervously.

"No, silly," she replied, snuggling up to him.

"Your boyfriend then?" he asked.

"No, not at all," she said, nibbling away at his ear.

"Well, who is he then?" demanded the bewildered guy.

Calmly, the girl replied, "That's me before the operation."

During the wedding rehearsal, the groom approached the pastor with an unusual offer:

“Look, I'll give you \$100 if you'll change the wedding vows. When you get to the part where I'm supposed to promise to 'love, honor and obey' and 'be faithful to her forever, I'd appreciate it if you'd just leave that out.” He passed the minister a \$100 bill and walked away satisfied.

On the day of the wedding, when it came time for the groom's vows, the pastor looked the young man in the eye and said: "Will you promise to prostrate yourself before her, obey her every command and wish, serve her breakfast in bed every morning of your life, and swear eternally before God and your lovely wife that you will not ever even look at another woman, as long as you both shall live?"

The groom gulped and looked around, and said in a tiny voice, "Yes," then leaned toward the pastor and hissed: "I thought we had a deal."

The pastor put a \$100 bill into the groom's hand and whispered: "She made me a better offer."

Husband replies: “Carefully pour some warm water over it and tap the edges first with your hand, if that doesn’t work, then gently with a hammer.”

15 minutes later, the wife texts back: “Oh no, I think the laptop is now totally gone.”

After spending time with Eve, Adam was walking in the Garden with God. Adam told God how much the woman means to him and how blessed he feels to have her. Adam began to ask questions about her:

“Lord, Eve is beautiful. Why did you make her so beautiful?”

“So you will always want to look at her.

“Lord, her skin is so soft. Why did you make her skin so soft?”

“So you will always want to touch her.”

“That's wonderful, Lord and I don't want to seem ungrateful, but why did you make her so stupid?”

“So she would love YOU.”

In the first year of marriage, the man speaks and the woman listens. In the second year, the woman speaks and the man listens. In the third year, they both speak and the neighbors listen.
