Damn, it looks like your face caught on fire and someone tried to put it out with a blunt carving knife.

Wow, you're about as useful as tits on a nun.

Your breath is so bad that eating a shit sandwich would be an improvement.

The last time I saw a face like yours I fed it a banana.

Are you collecting chins?

You fell from the top of the slut tree, and banged every guy on the way down.

If you were twice as smart, you'd still be stupid.

That chick fell out of the ugly tree, hit every ugly branch on the way down, landed on the ugly tracks and got hit by the ugly train!

You should put a diaper on your face because that's where all the shit is coming out of.

Some babies were dropped on their heads but you were clearly thrown at a wall.

You are so ugly, even Hello Kitty said goodbye to you.

You're so fucking brain dead that I'll bet you're mouthing the words of this note as you read it.

I'd call you a cunt, but you lack warmth and depth

You're so fat if you wore stilettos you'd strike oil

Your birth certificate is really just an apology from the condomo factory

Let me get this straight - YOU were the quickest and smartest of all the dumb-ass sperm you dad shot off?

If you find it hard to laugh at yourself, I would be happy to do it for you

Your dad should of had made a white spot in the sheets instead of a black spot in society!

Shit, you are so ugly that when you mum dropped you off at school, she got fined for littering.

Shut it, you will never be the man your mother is.

Your family tree is like a cactus, everybody on it is a prick.

Do you have to leave so soon? I was just about to poison your drink.

Every woman has the right to be ugly, but you have abused that privilege

Do you still love nature, despite what it did to you?

Keep talking, someday you might say something intelligent.

Some day you will find yourself, then wish you hadn't.

Learn from your parents mistakes, use birth control

Keep talking, someday you'll say something intelligent.

I know your father your brother, and your mother is an inbred whore, but
that doesn't mean you have to be so nasty

I'm already visualizing the duct tape over your mouth.

I don't know what your problem is, but I'll bet it's hard to pronounce.

You don't have the brains God gave a bag of dirt.

If I could fuck myself I wouldn't need you.

You've only got 3 brain cells left and they're all fighting for attention

The smartest thing to ever come out of your mouth, is going to be my cock

I bet your father's really sorry he didn't jerk off THAT night!

Fucktard

Mother-fucking bastard son of a lice ridden 2 dollar whore

You are so worthless that even if you were freezing to death, I wouldn't give you the steam off my diarrhoea.

Even if you were starving to death, I wouldn't give you the chunks of my vomit.

Cunt faced gremlin

Other than being disgusting, irritating, stupid and smelly, your actually quite okay

Are those your eyeballs, I found them in my cleavage

Anyone who told you to be yourself couldn't have given you worse advice.

Way to reinforce the stereotypes

I would make fun of you, but I don't think you'd understand it

You're the reason God created the middle finger

I would shove my foot up your ass, but you would enjoy it.

Practice safe sex; go screw yourself

Your dick is like a landmine; small, hidden, and explodes on contact -

If you want to get laid, crawl up a chicken's ass and wait

I think Mother Nature really hates you because you remind her so much of all
her mistakes!

You're one load your mum should have swallowed!

Some people are has-beens. You are a never-was.

You remind me of the ocean -- you make me sick.

If you have a problem then tell my ass cause it's the only one who gives a shit

You're so poor you don't even have enough money to pay attention.

By the way, the zoo called, the baboons want their butts back, so you'll have
to find a new face

You're so ugly, when you were born your mom said "What a treasure" and
your dad said "Yea lets go bury it"!

Roses are red, violets are blue, God made me pretty, but what the fuck
happened to you!?

You're so ugly when you were born the doctor slapped your mother!

You're so ugly when you went to the haunted house they offered you a job.

How many times do I have to flush to get rid of you?

Why did the chicken cross the road?
To get away from you.

Wanna get laid? Just crawl up a chicken's ass and wait!

You're just mad because your hair is straighter than you are.

What's the difference between your girlfriend and a walrus? One has a
moustache and smells of fish and the other is a walrus

Calling you stupid would be an insult to stupid people.

Don't you need a license to be that ugly?

Hey, I remember you when you had only one stomach.

Which one of the Village People are you supposed to be?

You do realize makeup isn't going to fix your stupidity, right?

I could eat a bowl of alphabet soup and shit out a smarter statement than that.

You must have been born on a highway because that's where most accidents
happen

My middle finger gets a boner when I think of you.

Why don't you slip into something more comfortable... like a coma.

After meeting you, I've decided I am in favour of abortion in cases of incest.

Did your parents have any children that lived?

He's so fat; he has the only car in town with stretch marks.

He's so dense that light bends around him.

She's got more chins than the Hong Kong telephone book.

If sex appeal were dynamite, you couldn't blow the cobwebs off your own balls.

If I had wanted to hear from an asshole, I would have farted.

You're just mad 'cause your mom has a bigger dick than you.

You should wear a condom on your head because if you're going to act like a dick you might as well dress like one!

They call her 'The radio station' cause she's so easy to pick up.

That's what happens to you when your pussy has been invaded more than Poland.

I'm not saying you're a slut, but your vagina has been used more than Google.

You're just mad 'cause your mom has a bigger dick than you.

The best part of you dribbled down your mother's leg.

Are you as thick as your ankles?

He's as bright as Alaska in December.

You would need at least three promotions just to make it to idiot

I'd rather masturbate with a cheese grater

You were probably born out your mothers arsehole cause her cunt is too busy!

You are the smartest person I know with downs-syndrome

Your face makes pregnant women miscarry

At least when I do a handstand my stomach doesn't hit me in the face.

Yo mamma's so hairy when you were born you almost died from rug burn

You're so fat, you leave footprints in concrete.
