## Humour Tumour

Introduction : book aims to create HUMOUR through interaction between quacks ( people from different field acting as doctors , dialogues starts with patient talking abt their disease and the quack replying with terms related to their own job)

Let us start with

Physicist as a doctor.

1 Patient : doctor , my sugar levels are not coming down

Doctor: you r taking less sugar

Patient : it will increase sugar levels

Doctor : don't worry it will fall due to gravity

Patient : thanks doctor

2. Patient : doctor , I have hyper tension

DOCTOR: don't worry you will not have heart attack

Patient : how doctor

Doctor: impact is huge in a head on collision , head is on top

3. Patient : doctor , I am a basket ball player , not able to jump

Doctor : don't worry it is due to gastric problem

3. Patient: what are you saying

Doctor : as you release gas by burning calories , you will go on top like a rocket

4 Patient: doctor , I am not able to see things clearly

Doctor: don't worry keep looking straight at the light

Patient : are you joking

Doctor: no , light travels in straight lines ( rectilinear propagation of lights)

5. Patient : doctor , I am not able to run faster

Doctor: don't worry I will make you fly I will prescribe a simple soln , it is due to surface( road) tension , I suggest you jump from high storey building so that you can cover more distance.

6. PATIENT : DOCTOR , I AM NOT ABLE TO REDUCE WEIGHT

DOCTOR : DOBT WORRY , WHAT YOU NEED IS A TRIP TO HEAVEN

PATIENT : DOCTOR , ARE YOU ASKING ME TO DIE

DOCTOR: NO , I WANT YOU TO BECOME A SPACE SCIENTIST AND GO TO MOON , YOU WILL WEIGH LESS BCOS OF LOW GRAVITY

7. PATIENT ; DOCTOR , I have yellow teeth

Doctor; why waste money on cleaning

Patient: what are you saying

Doctor: it is a blessing in disguise colour is an illusiion , your teeth is able to absorb all wavelengths except yellow , you will not suffer from vitamin d deficiency

8. Patient ; DOCTOR , I have a stiff neck

Doctor: haha , don't worry your neck is in state of inertia , I need to apply external force by hitting with sticks for it to move

PATIENT: oh doctor , you are a quack .

Computer engineer as a quack

1.Patient : doctor I am un a ble to bite any thing

Doctor: change the hard drive , it will absorb all the bytes

Patient : thanks doctor

2.Patient : doctor pls dress my open wound

Doctor - DON'T WORRY , I WILL HIDE IT WITH A ZIP FILE

PATIENT : THANK YOU DOCTOR

3. Patient : doctor , I always get angry and use bad words ,

Doctor: don't worry , use Microsoft word and small font size so it is difficult to read

Patient : doctor , you are a genius

4.patient : doctor , I am suffering from irregular bowel movements

Doctor: reduce junk ( fast food) mails

Patient : thank you doctor[1].

5.patient : doctor , I am suffering from high fever
