**A:** You could find a centipede who has fallen onto his back!

**Q:** Do you know what animal is strongest out of all of the other animals?

**A:** Snails because they carry their homes!

## **Long Jokes**

### **Snails**

There was a man standing in his house, looking outside of his window one day. Outside, he saw that a snail was out there sitting on one of his favorite plants. Upset, the man went outside, grabbed the snail and then threw it away as hard as he could. Ten years passed, and the man was sitting in his house relaxing on a chair. Suddenly, he heard a tapping on his window. He looked up and went over to investigate. There, he saw a very grumpy snail who yelled "Hey! What was that for?"

### **Animal Team**

Two teams of animals decided to play a football game. One team was all of the small animals, and the other had all of the big animals! The big animal team was winning for the first half of the game, but for the second part, the small team of animals took over, thanks to the centipede scoring so many

different touchdowns! After the game ended, a chipmunk went over to the centipede and said “Hey! where were you during the first half?” To which the centipede replied “I was putting on all of my shoes!”

## CHAPTER 2

# What Would You Get If...?

These jokes come up with hilarious answers to our favorite “What would you get if...?” jokes!

**Q:** What would you get if you crossed a shark and a parrot?

**A:** You get a bird that will talk your ear right off!

**Q:** What would you get if you crossed drumsticks with a fish?

**A:** You would get fish sticks!

**Q:** What would you get if you crossed a blizzard with a tiger?

**A:** You would get frostbite!

**A:** You would get mashed potatoes!

**Q:** What would you get if you crossed a squid and a mouse?

**A:** You would get an eek-topus!

## CHAPTER 3

# Space Jokes!

**Q:** Do you know which chocolate bar spacemen like the most?

**A:** Marsbars!

**Q:** Do you know why the cow always dreamt of going to space?

**A:** So he could visit the moooon!

**Q:** Do you know why the sun begged his mom to take him to school?

**A:** Because he wanted to be a bright student!

**Q:** Why would an alien not want to eat a clown?

**A:** It might taste way too funny!

**Q:** Do you know how to make sure the moon has eaten enough?

**A:** Full moon!

**Q:** Do you know what type of music is a planet's favorite kind to listen to?

**A:** They like to listen to neptunes!

**Q:** Do you know what a light year is, exactly?

**A:** The same thing as any year, except that a light year contains less calories!

**Q:** What types of books do astronomers like reading?

**A:** They like to read comet books!

**Q:** What button is the astronaut's favorite one on the entire keyboard?

**A:** The space bar!

## Long Jokes

### Space Ship Parking

There was an astronaut who was looking to park his space ship. As he drew near to the surface of the planet, he opened his window and shouted out to a nearby person, "Hey! Where can I park this thing?" The person sized up his space ship and then replied "over there, at the parking meteor!"

### Where Is Pluto?

Mickey Mouse put on his astronaut gear and got prepared to go out into outer

space. As he hopped in the space ship, Goofy came by and said “Mickey, where are you going?” Mickey, clearly a little freaked out, replied “Goofy! I am off to space, I have lost my dog, I need to find Pluto!”

### **Astro-what?**

Three astronauts were having a cold refreshment at a local spacebar. As they were drinking their refreshments, one started telling several jokes which had all of the astronauts keeled over in laughter. The bar tender returned to the bar and said, “Whatever could you be laughing so hard about?” to which the one space man replied “This guy! He’s a really astro-nut!”

### **Lack of Atmosphere**

A group of people traveled to the moon so they could enjoy a delightful dinner. They had heard many people rave about the restaurant on the moon, and so they decided it would be a great opportunity for them to go check it out. They arrived and noticed the place seemed very bland. While they were excited to be on the moon, it didn’t seem worth it to spend so much time there. They ate their meals and left. When they returned home, their friends asked “Wow I can’t believe you went to the restaurant on the moon!” the group replied “It wasn’t that great: there was no atmosphere!”

## CHAPTER 4

# Riddles

**Q:** Name something that people in poverty have, but people who are wealthy don't. Also, when you die, you will eat this. Do you know what it is?

**A:** Nothing!

**Q:** Can you name something that will never go up but will always come down?

**A:** Drops of rain

**Q:** When it's young, it's very tall and when it's old it shrinks to be very small, sometimes it will even disappear. What is it?

**A:** A candle

**Q:** Your pants pocket is completely empty, but there is still something in it. What is it?

**A:** It is a rip in your pocket!

**Q:** There was a house with one story, that had everything blue. The person inside the house was blue, and so was the cat. The fish, computer, chair and tables were also blue. There were even pink telephones and a pink shower. Every single item inside of the house was the color blue! So, do you know what color the stairs were?

**A:** No color! The house didn't have any stairs!

**Q:** What is one thing that will go up when the rain is always coming down?

**A:** Umbrellas!

**Q:** What is something that you throw away the outside of it so you can cook the inside. Then, you eat the outside of it so you can throw away the inside?

**A:** A cob of corn!

**Q:** I am an item and I have two hands, yet I do not have the ability to clap at all. What am I?

**A:** I am a clock!

**Q:** You can catch me and you can give me to someone else but you cannot throw me. Do you know what I am?

**A:** The Flu!

**Q:** Do you know what lies at the very end of a rainbow?

**A:** “W”!

**Q:** What is something that is lighter than a feather but no matter how strong you are you can’t hold it for longer than about a minute?

**A:** Your breath!

**Q:** It starts and ends with a T and inside there is T. What is it?

**A:** A Teapot!

**Q:** Name something that is so fragile that if you were to say its name out loud you would shatter it.

**A:** Silence

**Q:** Imagine you enter a room and it has four things: a match, a candle, a kerosene lamp and a fireplace. Which one will you light before any of the others?

**A:** You would light the match first

**Q:** A person was driving along in their car without their lights on. The moon was not up, and a child was about to cross the street ahead. How was the person able to see the child crossing?

**A:** It was noon on a summer day!

**Q:** Do you know what kind of tree you will always carry with you in your hand?

**A:** A palm!

**Q:** Imagine an electric train was travelling North. Now tell me, in what direction would the smoke blow?

**A:** Electric trains don’t make smoke, so no direction!

**Q:** If you were to draw a line on a piece of paper, how could you make it longer without ever touching that same line again?

**A:** You could draw a shorter line next to it, so that it would be the longer line!

**Q:** Do you know something with one eye, however it cannot see?

**A:** Needles!

**Q:** Imagine a man left home on a run. As he's running, he turns to the left a total of three times. After those three runs, what would he have?

**A:** A home run!

**Q:** Which one of these weighs more: a pound of flour or a pound of feathers?

**A:** They both weigh the same: one pound!

**Q:** Which months have 28 days in them?

**A:** 12 months do!

**Q:** There was a horse that chained to a 30-foot chain. The horse wanted to eat his hay, but the hay was 32 feet away. What could the horse do so he could eat his hay?

**A:** The horse could just walk there and grab the hay, the chain was not attached to anything!

**Q:** Imagine there was an orange house and it was built with orange bricks. Then next to it, there was a purple house that had been built out of purple bricks. Next to that, there was a yellow house that had been built from yellow bricks. Finally, there was a green house. What was it made of?

**A:** The green house was made of glass!

**Q:** Do you know what item cannot go down a chimney up, but can go up a chimney down?

**A:** Umbrellas

**Q:** There is a blue man and he lives in a blue house. There is an orange man and he lives in an orange house. There is also a pink man, and he lives in a pink house. So, if there is a white house, who is the man that lives inside?

**A:** The United States President!

**Q:** What if I told you there was something that could come out at night without you needing to call it to come, but during the day it will be lost even though it was never stolen. Would you know what it was?

**A:** The night sky!

**Q:** Do you know how to make one go away with only a single letter?

**A:** Put a G in front of one and it's gone!

**Q:** They say that everything that goes up, must come back down. Name something that this statement isn't true for!

**A:** How old you are!

**Q:** Wednesday, Ashley and Mary went out for lunch one day. They enjoyed a delicious lunch, and then after it was done, Ashley and Mary left. However, the bill was paid for in full. Who paid for the bill?

**A:** Wednesday paid the bill!

**Q:** If there was an item you could never hold and you could never touch, would you know what it was?

**A:** A promise!

**Q:** What is always on its way but will never ever arrive?

**A:** Tomorrow

**Q:** It goes through towns and it goes over mountains. It can even go over rivers and run next to large buildings. What is it?

**A:** A road

**Q:** It is home to 88 keys but no matter how hard you tried, you couldn't open a door with any of them. What is it?

**A:** It is a piano

**Q:** It has a neck but no head, heart or soul. What is it?

**A:** It is a bottle!

**Q:** A chimp, a spider and a possum all race to the top of a banana tree. Which one will get the coconut first?

**A:** No one will because bananas don't grow on coconut trees!

**Q:** A rich couple purchased a brand new circular home for their family to live in. One morning, the Dad woke up and found there was jam spilt on the new carpet in their new home. Furious, he questioned everyone as to how that jam got there. Read the following excuses and see if you are able to find out who was responsible for the jam on the brand new carpet in the brand new house:

-His Son: "I was playing hockey in the driveway"

-His House Keeper: "I was dusting the corners in the house!"

-His Chef: "I was making lunch for later"

Which one of them lied?

**A:** The liar was the house keeper, since the new house had no corners!

**Q:** There are two fathers and two sons that are heading out for a fishing trip.

On the trip, each one catches a fish and brings it home. So, why did only three fish get brought home?

**A:** The fishing trip was attended by a grandfather, his son, and his grandson!

**Q:** What is something that has 4 legs when it's young, it has 2 legs when it's older, and it has 3 legs when it's oldest?

**A:** A human: babies crawl (4 legs), adults walk (2 legs) and older people use canes (3 legs!)

**Q:** The more you dry the more wet it becomes. What is it?

**A:** A towel!

**Q:** What is something that you know exists, and you can hear it on a daily basis, but you cannot touch it or see it?

**A:** Voices

**Q:** It starts with a P and at the end there is an E. There are over 100 letters inside. Do you know what "it" is?

**A:** It is a post office

**Q:** Every morning you lose it and every night you get it back. What is it?

**A:** Pillows

**Q:** You've seen it already, several times before. However, you will never see it again in your entire life. What is it?

**A:** It is "yesterday"!

**Q:** What is the name for two days in the week that both start with the letter T, but not "Tuesday" or "Thursday"?

**A:** Tomorrow, Today

**Q:** It's high in the middle and round on the edges, do you know what it is?

**A:** It is Ohio!

**Q:** If two equals company and three equals a crowd, what is four and five equal to?

**A:** They are equal to nine!

**Q:** Gravity has something that resides in the very middle, do you know what it is?

**A:** V

**Q:** Every night before you get in bed, this is the very last thing you take off. What is it?

**A:** It is the floor, since you take your feet off of the floor last!

**Q:** There was a bus driver, two hat makers and one banker standing in line at the coffee shop. Who had the largest hat?

**A:** The man whos head was the biggest!

**Q:** Do you know which type of room contains absolutely no windows and doors?

**A:** Mushrooms!

**Q:** Look at this sequence: JFMAMJJASON\_? Fill in the blank.

**A:** The blank would be the letter D to represent “December”!

**Q:** Imagine a window cleaner cleaning the windows on a building that has 25 stories. While he is cleaning, he slips and falls from his ladder. However, he suffers from no more than a small bruise on his shin. What saved the window cleaner from getting hurt?

**A:** The man only fell from the first rung on the ladder on the first floor of the building!

**Q:** Do you know how many seconds are in one whole year?

**A:** Twelve: every month has a 2<sup>nd</sup> day!

## CHAPTER 5

# One Liners

These one liners will certainly make you giggle!

**Q:** Who is the person that claims “sticks and stones may break my bones, but words will never hurt me”?

**A:** The person who has yet to have a dictionary hit them!

**Q:** What is the easiest way to make fire from two sticks?

**A:** Ensure one of the two is a match stick!

**Q:** Do you know why the banana called an ambulance?

**A:** The banana wasn't peeling very well at all!

times over in a minute when you use it?

A: Skipping ropes do!

Q: Do you know why the scientist removed all of the door bells from his home?

A: So he could be entered to win the no-bell prize that year!

Q: Do you know what someone's belly button said before it disappeared?

A: It said, "see you later, I'm outtie!"

Q: I bet I can make you say the word blue.

A: How can you do that?

Q: Easy, the Canadian flag has two colors in it, what are they?

A: Red and white!

Q: See! I made you say white!

A: No, you said you would make me say blue!

Q: Ha-ha! I told you that you would say blue!

Q: Do you know why the professional signer went out on a ship?

A: She really wanted to reach the high Cs!

Q: Do you know the name for something that is black, red and white?

A: A mime who got embarrassed!

Q: What is a type of potato chip that can fly?

A: A plane one!

Q: Two teeth were talking, do you know what one said?

A: You'll never believe it, a dentist is taking me out tonight!

Q: What did the butcher say when he was introducing his wife to people?

A: "Meet Patty!"

Q: What did the lawyer decide he wanted to name his daughter?

A: Sue

Q: What is something that has a head but doesn't have a body?

A: A nail

Q: Two eggs were talking; do you know what they said to each other?

A: I like you, you make me crack up!

**Q:** Why are bakers and millionaires the same?

**A:** They both roll in the dough!

A man thumbed through the paper to find someone who would paint his porch. When he found an ad, he called the lady and asked her if she could come do it. She agreed, and arrived the next day. When she got there, he told her what he wanted done. A short while later, she knocked on the door and when the man answered she said, "I'm all done!" Confused, he asked how she was able to finish the job so early. "It was sort of hard at first you know, but then I got the hang of it and it was really easy after that! By the way, did you know that you have a Ferrari not a Porsche?"

**Q:** Do you know why a man brought his pencil into bed with him?

**A:** So that he could draw the curtains at night!

**Q:** Every night before he went to bed, the gardener would plant dollar bills in his soil. Do you know why he would do this?

**A:** To make the soil richer!

**Q:** The teddy was offered dessert, but he refused. Why did the teddy refuse the dessert?

**A:** Because he said he already felt stuffed!

**Q:** Do you know what a calculator said one afternoon when talking to a math student?

**A:** Worry not, friend, you can always count on me!

**Q:** There was a woman working on a car assembly line, but she got fired. Why did they fire her?

**A:** She got caught taking a brake without permission

**Q:** Do you know what would make a kid more likely to go to school?

**A:** If the doors were actually open!

**Q:** Out of all 26 letters in the entire alphabet, there is only one that we can drink. Some like it hot, some like it cold, but either way, it is still consumed as a beverage. Do you know what it is?

**A:** T

## CONCLUSION
