What is black humour?

“Black humour is humour that deals with unpleasant aspects of life in a bitter or ironic way”

“Black humour is when, for example, a man takes off his belt to hang himself, and his trousers fall down. Another example of black humour, "Suicide just isn't funny, no matter which way you slice it," is an effective satire at the way that suicide is treated in mainstream western culture, insinuating that attitudes towards suicide are even more morose or morbid than the act or mental condition leading to it.”

“A new study in the journal Cognitive Processing has found that intelligence plays a key role in the appreciation of black humour – as well as several other factors, notably a person’s aggression levels.”

Attention: This book contain comedy, satire, jokes, etc., that presents tragic, distressing, or morbid situations in humorous terms; humour that is ironic, cynical, or dry;

Warning: contain adult or sexual content and are meant for mature audiences.

The next morning my husband asked me what time I got in, I told him 'MIDNIGHT'... he didn't seem pissed off in the least.
Whew, I got away with that one! Then he said 'We need a new cuckoo clock.'
When I asked him why, he said, 'Well, last night our clock cuckooed three times, then said 'oh shit.' Cuckooed 4 more times, cleared its throat, cuckooed another three times, giggled, cuckooed twice more, and then tripped over the coffee table and farted.

A man is getting ready to fuck his new girlfriend for the first time. He tries to push his dick in, but he can't get it in. He tries and tries, but to no avail. Finally he pushes inside her and starts giving it to her.

He says, "Damn, this hurts. It's so tight I can barely take it."

She says, "OK. Let me go to the bathroom and make it a little easier."

He climbs off and she disappears for a few moments. When she returns, she lays down and he climbs back on top of her. He slides in again, and this time it's much easier.

"Ahhh. That's more like it. Did you put some KY jelly in there?"
"Nope," she replies, "I just peeled off the fucking scabs..."

Two bums are walking along the side of a road early one morning, complaining about their empty stomachs. The night before they had spent every dime they had on whiskey, so naturally they had no money for breakfast. By and by they come upon a flattened possum lying dead on the roadside.

The first bum says to the second, "I'll split it with ya."

The second politely refuses, so the first bum eats the entire thing by himself. An hour or so later, as they are walking, the first bum starts turning green. He gags for a few minutes and then spews the possum remains all over the road. The second bum smiles and says, "I knew if I waited long enough I'd get a hot meal."

Mary had her fill with the men she had had in her life and had just broken up with her latest beau. Determined to finally 'meet the One', she places an advert in the local paper's lonely hearts classified.

It said "Wanted - A man who will not hit me, not leave me but has to be an extremely wonderful lover."

Many weeks pass and not one answer to her ad... until there's a knock at the door. Mary goes to answer the door and opens it to see a man in a wheelchair with no arms or legs.

"I'm here about the ad" he says,

"How do I know you won't hit me?" says Mary.

"Well I have no arms so I cannot hit you even if I wanted to" he replied.

"How do I know you won't leave me?" says Mary.

"Well I have no legs so I cannot leave you even if I wanted to" he replied.

"How do I know that you're an extremely wonderful lover?" says Mary

"Well," begins the man, "what the fuck did you think I knocked the door with?"
