What is the percentage of Muslims in the Indian Army?

Apurv Jain

Upvoted by Akanksha Bhaskar

0%. There are no Muslims in the Indian Army.
There are no Hindus either.

There are only soldiers, officers with their surname as Khan have often led Diwali Puja and Officers with Jain as a surname have often led prayers and sweet distribution on Eid. This is Indian Army.

1 To find a woman you need Time and Money therefore:

$$\boxed{\text{Woman} = \text{Time} \times \text{Money}}$$

2 "Time is money" so

$$\boxed{\text{Time} = \text{Money}}$$

3 Therefore

$$\text{Woman} = \text{Money} \times \text{Money}$$

$$\boxed{\text{Woman} = (\text{Money})^2}$$

4 "Money is the root of all problems"

$$\boxed{\text{Money} = \sqrt{\text{Problems}}}$$

5 Therefore

$$\text{Woman} = (\sqrt{\text{Problems}})^2$$

(A^x)

$$\boxed{\text{Woman} = \text{Problems}}$$

Son : Daddy, I fell in love & want to date this awesome girl.

Father : That's great son. Who is she?

Son : It's Sandra, the neighbour's daughter.

Father : Ohhh I wish you hadn't said that. I have to tell you something son, but you must promise not to tell your mother. Sandra is actually your sister.

The boy is naturally bummed out; but a couple of months later :

Son : Daddy, I fell in love again and she is even hotter!

Father : That's great son. Who is she?

Son : It's Angela, the other neighbour's daughter.

Father : Ohhhh I wish you hadn't said that. Angela is also your sister. This went on couple of times and son was so mad, He went straight to his mother crying.

Son : Mum I am so mad at dad! I fell in love with six girls but I can't date any of them because dad is their father!

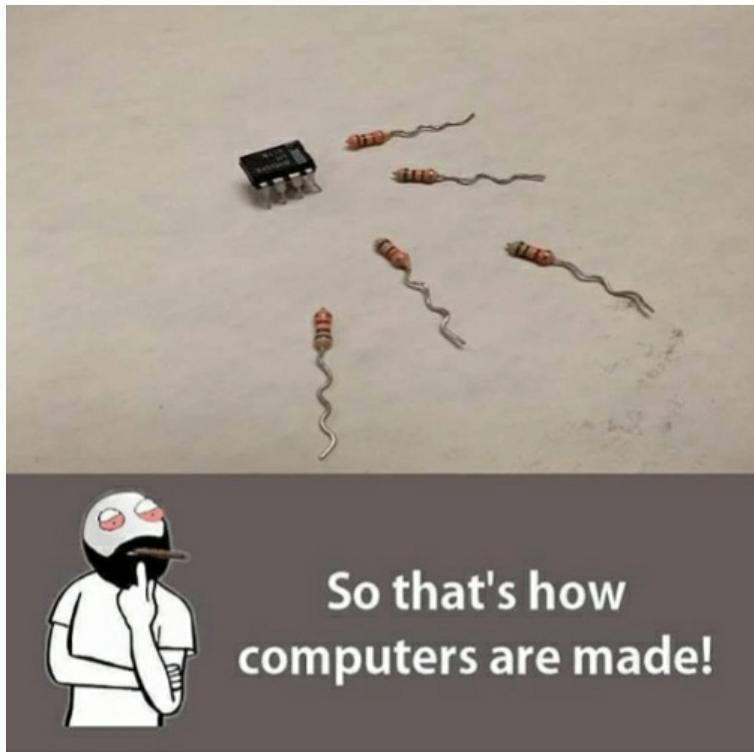

The mother hugs him affectionately and says : My love, You can date whoever you want. He isn't your Father..!!

Taurus : the funny parent that always bakes stuff and offers a hot chocolate to everyone who feels sad.

Gemini : the ultimate handsome villain who builds an army to destroy the world but gets killed off by the hero in the end.

Cancer : the super shy character who is really sarcastic and into books but ends up falling for the popular boy/girl.

Leo : the popular character who is secretly a huge nerd and ends up realizing "being popular" isn't everything.

You look lovely, Helen.

Thank you Ketchapp for blessing the world with another one of your quality ass games. When I was a child I was born with no limbs. My grandfather on his deathbed download this app for me and used his last breath to tell me "Play this game and in the 420th spin I will resurrect and the world will be a happy place." He smiled at me and died. I then grew a arm out of my ass and now can finally use this quality app. Thanks again ketchapp for bandwagoning and making money off us for trends that last two months. I love you!
